

# Stark County DD Early Childhood Services

*How can you help your child's Preschool and Early Intervention Programs raise money to further support your child's developmental needs?*

## Collect Box Tops

Clip Box Tops for Education™ off of food, drink, paper products such as Kleenex, Ziploc, and Avery office products. We will earn **10 cents** for every Box Top that your child turns in. Earn even more cash to help Stark DD Early Childhood Services through the Box Tops for Education™ Bonus App. It's free and can be downloaded from the Apple App Store or Google Play. For a complete list of participating products go to: <http://www.boxtops4education.com>.

## Collect Labels for Education

Clip labels off of any Campbell's, Pepperidge Farms, Glad, or BIC products, and even several magazines including PEOPLE, ALL YOU, and REAL SIMPLE. For a complete list of products go to:

<http://labelsforeducation.com/earn/participating-products.aspx>.

The program is ending this year but we will be collecting labels until the end of December 2017.

## Shop with your Giant Eagle Advantage Card

Enroll your Giant Eagle Advantage Card to earn points for classroom equipment for Stark County DD early childhood classes every time you shop at a Giant Eagle.

Go to [www.gianteagle.com/about/apples-for-students](http://www.gianteagle.com/about/apples-for-students) or call 1-800-474-4777. Our School ID# is **5538**.

## Save your ACME Fresh Market receipts

All we need you to do is send in your original receipts from any Acme Fresh Market shopping. We earn **5% back** in cash for all of your Food Club, Valu Time, Top Care, and Acme brand purchases.

## Search the internet with Goodsearch

By using [www.goodsearch.com](http://www.goodsearch.com) as your search engine, we will earn one cent for every Internet search you do. To start, simply type Eastgate Early Childhood Center Louisville, Ohio, where it says "*enter your charity here*"; once you enter it, then it will remain your charity until you change it.

## Recycle your paper

We have a Paper Retriever recycling bin in our parking lot for paper products: newspapers, phone books, catalogs, magazines, and shredded paper. Shredded paper must be put in a white or clear bag that has a small cut in it to let the air out. No cardboard, please.
