The employment of a casual employee is administered by the Superintendent through the Board. Casual employee pay is determined by the Board and administered by the Human Resources Department.

**Substitute Employee** – Is an employee who may be employed in any department authorized by the Superintendent to take the place of the regular staff who are absent due to personal illness, leaves of absence, or to fill temporary positions created by emergencies or needs of the program. Such assignments shall be subject to termination when such services are no longer needed. The employment of substitutes is administered by the Superintendent through the Board. Substitute employee pay is determined by the Board and administered by the Human Resources Department.
