Policy 5.05 Early Intervention Staffing Ratios	Effective: 6/16/15
Chapter 5: Program Services	Page 1 of 1

## EARLY INTERVENTION STAFFING RATIOS

### POLICY

Early Intervention staffing ratios are to be based upon the time and resources needed to provide services in accordance with the Individualized Family Service Plan (IFSP). Through use of an evidenced based primary/secondary service provider system, caseloads are monitored through the established early intervention teams who are assigned families based on where the families live in the county.
