Transportation Procedure 038 Disability of Driver During Route	Effective: 9/1/2015
Chapter 5: Program Services	Page 1 of 1

## **Disability of Driver During Route**

1. In the event a vehicle operator is injured or becomes ill prior to the start of their bus route, he/she shall contact their Immediate Supervisor and not start their route.
2. If the disability occurs while the vehicle operator is on his/her route, he/she shall remove the vehicle from the roadway to a safe area such as a parking lot or driveway. The Driver or Rider shall contact the Bus Garage by radio and request assistance.
3. At all times, safety shall be the primary consideration in evaluating the situation.
