Chapter 2: Agency Administration	Page 1 of 1

## USE OF BOARD VEHICLES

### POLICY

Board-owned vehicles, defined in this policy as vehicles not requiring a CDL, shall be used for Board approved activities only. Non-routine use of vehicles may be approved by the Superintendent or designee to attend events, conferences, and trainings in lieu of employees using their personal vehicles. Authorized passengers on Board-operated vehicles shall be enrollees and those authorized by the Superintendent or a designee, which typically will be other employees, volunteers, or Board members.

Prior approval is required to use a Board-owned vehicle to travel outside Stark County on routine Board business. Blanket approval may be requested for routine use. A Board vehicle can be taken home by an employee overnight with approval by the Superintendent, or designee.

Board-owned vehicles must at all times be operated in full compliance with all applicable federal, state and local laws.
