December Family Fun

Homemade Christmas Ornaments

Ingredients:
1/2 cup cornstarch
1 cup baking soda
3/4 cup water

DIRECTIONS TO MAKE THE DOUGH ORNAMENTS
Preheat oven to 175 degrees. Combine the cornstarch, baking soda and water in a large pot over medium heat. Stir ingredients until the mixture starts to thicken, about 2-3 minutes. When the mixture begins to thicken into a smooth texture, remove from heat. Immediately form the dough into a ball and place it in a glass bowl; cover with a damp cloth to allow the dough to cool slightly.

When dough is slightly cooled to the touch, place onto a rolling mat and knead the dough gently. Feel free to add more cornstarch if you feel the dough is too sticky to knead properly. Roll out the dough on a rolling mat or a cutting board lightly dusted with cornstarch to 1/4 inch thick. Cut out shapes using cookie cutters. You can use any cookie cutter. Very gently, lift the shapes out and transfer them onto a prepared baking sheet covered with parchment paper. Use a straw or a lollipop stick to poke a hole in the top of each ornament.

Bake at 175 degrees for 45 minutes to 1 hour, depending on your oven. Turn the sheet 180 degrees halfway through baking time to ensure even baking. If edges start to curl up during baking, gently tap down until flat.

*You can decorate them by painting the ornaments, adding glitter, ribbon, etc. These make great gifts for grandparents and other family members.

Caramel and Chocolate Covered Pretzel Rods

Ingredients:
2 cups sugar
1 cup light corn syrup
1 cup butter, cubed
1 can (14 ounces) sweetened condensed milk
1 package (12 ounces) pretzel rods
6 to 12 ounces white candy coating
6 to 12 ounces milk chocolate candy coating

Optional toppings: chopped walnuts, sprinkles, crushed candy cane, mini chocolate chips, mini M&Ms, crushed Heath bar, etc...

Directions:
In a large heavy saucepan, combine sugar, corn syrup and butter; bring just to a boil over medium heat, stirring constantly. Boil, without stirring, 4 minutes. Remove from heat; stir in milk. Cook and stir over medium-low heat until a candy thermometer reads 245° (firm-ball stage). Keep warm.
Pour 2 cups caramel mixture into a 2-cup glass measuring cup. Quickly dip each pretzel halfway into the caramel; allow excess to drip off. Place pretzel on a well-buttered baking sheets; let stand until firm. In a microwave, melt chocolate coating; stir until smooth. Dip caramel-dipped pretzels into the coating; return to baking sheets. Drizzle chocolate-dipped pretzels with white coating. If desired, sprinkle with optional toppings (see ingredients). To keep them fresh store them in airtight containers. *These make the best holiday treats or gifts.
December Book Picks...

Stinky Face loves Christmas time, but he still has plenty of questions. What if a big wind blows his Christmas tree away? What if Santa's book falls off while he's flying his sleigh? Only Stinky Face could come up with such crazy Christmas worries! "What if Santa's lips get chapped?" Stinky Face asks. "What if the sack of toys starts to rip?" As always, Mama lovingly addresses each and every one of her child's concerns. Of course, Stinky Face leaves Santa lip balm and duct tape... just in case.

It's almost Christmas and baby simply cannot contain the exuberance. There are things to decorate: a tree, a gingerbread house, a doggy! There are very creative presents to make, Santa to see. carols to sing, not to mention the big event itself. Come celebrate the season with humor and joy as everyone's favorite baby puts a special spin on Christmas.

With short and simple rhyming text, the Llama Llama board books introduce Llama Llama to babies and toddlers before they're ready for longer full-length stories. Their small size and durable pages are perfect for little hands. In Llama Llama Jingle Bells, little llama and his friends give gifts, sing songs, and decorate cookies. It's a very merry holiday indeed!

Five Little Gingerbread Men

Five little gingerbread lying on a tray,
One jumped up and ran away,
shouting "Catch me, catch me, catch me if you can..."
I run really fast, I'm the gingerbread man!
Continue counting down until there are none left.

No more gingerbread lying on a tray.
They all jumped up and ran away.

This is a fun song to use with props. A cookie sheet with felt or paper gingerbread men are a cute visual.

Let's All
Sung to: "We Wish You A Merry Christmas"

Let's all do a little clapping,
Let's all do a little clapping,
Let's all do a little clapping,
& spread Christmas cheer.

You can change the clapping to other activities.
Jumping, twirling, stretching, bending ask your child for other ideas.

December Songs and Fingerplays...

Candy Canes
Ten little candy canes,
With stripes of red and white.
I'll lick, lick, lick, and
Chomp, chomp, chomp!
And one goes out of sight.
Repeat in descending order until there are no candy canes left. Then rub your tummy and say,
Yummy!

There's A Little Elf
Sung to: "If You're Happy & You Know It"

There's a little elf that's sitting on my nose,
There's a little elf that's sitting on my nose.
He is sitting on my nose.
Then away he goes.
Now there's no little elf on my nose.

There's a little elf that's sitting on my knee,
There's a little elf that's sitting on my knee.
He is sitting on my knee.
Just watch and he will flee.
Now there's no little elf on my knee.

There's a little elf that's sitting on my head,
There's a little elf that's sitting on my head.
He is sitting on my head.
Then away he goes to bed.
Now there's no little elf on my head.
HOLIDAY STRESS

Tips To Help You Get Through the Holidays

Often it is hard to find a balance when trying to make the holidays memorable. We are often running here or there to visit family and friends, or making holiday preparations that we feel we need to. We sometimes forget that the holidays can be overwhelming to children with all of the hustle and bustle; as adults get overwhelmed too. For many families what seemed like a fun plan is quickly replaced with the harsh realities of handling some of our children's less than perfect behaviors. Parents can find themselves feeling frustrated, angry and resentful, as our children seem to fall apart right when we most wish, and need, them to hold it together. Here are some tips to help you manage the holiday season...

♦ Keep routines the same by keeping your child's usual bedtimes and mealtimes when you can.

♦ Share plans, schedule changes, and out of the ordinary events to reduce the stress and keep things predictable.

♦ Make sure you are taking care of yourself both physically and mentally. Your emotional well-being can affect your child's. Children watch how we cope with stress and learn from our example.

♦ Focus on one task at a time. Try to balance the hustle and bustle of shopping, baking, wrapping gifts, decorating and family get-togethers. So it doesn't become overwhelming. Pay attention to how you and your child are feeling and stop or take a break if needed.

♦ Be tuned in to your child's temperament. If you see they are starting to feel anxious, find quiet place where they can regroup.

♦ Enjoy the holidays for what they are...a time to enjoy with your family. So do things together like playing together and spending quality time with relatives, neighbors, and friends.

♦ Opt out of some events. Don't fall into the trap of needing to do it all. Know when to say no...constant excitement and stimulation of family and friends around the holidays, can wreak havoc on the entire family!

♦ Kids need to be reminded that expectations at Grandma's may be very different than at home or even a friend's homes.

♦ Make sure the expectations you have for your family regarding the holidays and your child's behavior are not set too high.

♦ Don't feel pressured to over-spend on gifts. Help your child to make homemade gifts that will be treasured by loved ones for years to come.

HAPPY HOLIDAYS!!!
Holiday Safety Reminders

Choking and Swallowing

* Many holiday items are potential choking hazards for small children. Tree ornaments, light bulbs, icicles, tinsel, and small toys may block the airway. If it’s small enough to fit in the mouths of babies and toddlers, it’s too small to play with.

* The needles of holiday trees can cause painful cuts in the mouth and throat of a child who swallows them.

* Angel hair and ornament hangers may cause cuts, skin irritation, or eye damage if touched or swallowed by children.

Poisons

* Some common plants we decorate with during the holidays such as mistletoe, holly, poinsettias, and other plants are considered potentially poisonous and should be kept out of reach. Call your doctor or the National Poison Control Center 800-222-1222 immediately if your child eats any part of it.

* Many families host holiday parties where alcohol is served. Children imitate adults and may try to drink the beverages like adults. Be sure there are no cups, glasses, or bottles left where your child can reach them. Even small amounts of alcohol can be dangerous.

* Be sure to store foods properly and don’t leave food out longer than 2 hours that can spoil or become contaminated. Wash hands, utensils, dishes, and anything else that comes in contact with raw meat.

Accidents

* Be sure your tree is secured in a sturdy tree stand so children and pets don’t tip it over.

* Keep your tree watered and away from all heat sources. If you purchase an artificial tree make sure it is labeled fire retardant. Remember to unplug all lights and extinguish candles before going to bed. Don’t overload your circuits this can start a fire.

* Burns and scaldings can easily happen in a busy kitchen. Prevent accidents in the kitchen by keeping a close eye on your children while you cook, turn all handles away from the front of the stove and keep the oven door closed.
