My Story

Hello, my name is Timothy Rey and our company, **RMB Transportation**, started in January 2019. My family and I have a long history of providing services to individuals with a variety of abilities. We have always focused on the positive of what people can accomplish.

I've been working in the field for almost eleven years in many positions that include residential, day habilitation, home maker personal care and transportation. I've served as a house manager, a crew supervisor in day habilitation and been a transportation driver for several years.

I graduated from Kent State University with a Bachelors and Masters Degree in Justice Studies.
