

Know Me

NAME **Shayna**

PASSION **Pokémon Go**

My Story

My Name is Shayna Garrott, I am 31 years old and live with my roommate who is like a sister to me. I work at Walmart part time as the only main female cart pusher.

When I am not working I love to play Pokemon Go with my manager and staff, make key chains that I sell, and also mow yards with my own lawn mower. I also have a passion for music, makeup, making money, and fishing.

My dream is to one day live independently in my own apartment and eventually start a family.

Five years ago, when I first came to Midwest Health Services, I was unable to do a lot of things on my own and needed a lot of help. I was also very scared of going new places and trying new things. With the support of my staff and Stark DD I began doing new things. I started riding the SARTA bus all over Massillon and Canton, got a job at Walmart almost a year ago, and can take care of my own medications.

I am thankful for my entire team and staff. They gave me the support and encouragement to go the distance and its only up from here!
